“an opportunity for Traditional Knowledge Monitoring for families at Fletcher Lake, Fletcher Lake is located northeast of Gahcho Kue diamond mine” 63°42'28.08"N x 108°46'42.84"W

The Ni hadi Xa Family Travel Program:

The program aims to strengthen the connection between the communities and monitoring for Gahcho Kue Diamond mine. To effectively work for the environment through Traditional Knowledge and monitoring to maintain the Land, Water, Wildlife, Plants and Resources throughout the life of the mine. To provide families and individuals the opportunity to engage in traditional knowledge and monitoring of the Gahcho Kue Diamond Mine.

The Family Travel Program will support each community. A group will be selected through a respective selection process determined by each community. The program can only fund one group/family per collective community (i.e. NSMA).

How to Apply:

1. Select six NSMA members (or your family members) who you want to travel with;
2. Email Shin (shin.shiga@nsma.net) with the following info:
 - a. Which week (starting and ending on Mondays) you want to use the cabin. Choose three options.

E.g.) 1st choice: Monday July 3-10

2nd choice: Monday July 24-31

3rd choice: Monday August 4-11

Dates must be within July 3 to August 11th, and has to be from Monday to Monday.

- b. Traditional land use experience (not a requirement to apply)
- c. Names of the people in your group.

Deadline for Application Process is April 30th 2017 at 5:00pm.

The successful family that is selected will have to fill out a medical and waiver form.

Each community's group will have 1 week at Fletcher Lake. Please select no less than three weeks, numbering them in order of preference. After the selection process, a schedule will be developed to best meet all families' desired timing.

[Deadline for application hand in is April 30th 2017](#)
